RD 4, Box 120

As many of you already know, Mr. Mills passed away last July. Necessity, not inclination, has me still in the gladiolus business. So far have found neither a buyer nor anyone interested in part interest so I plan to sell all bulbs possible this winter and spring and plant the residue, hoping to cut them off during the summer.

OHIO CUSTOMERS please include 3% State Sales Tax.

Mudsock is the first road east of 75. We are about a mile south of the Cridersville Road, named National Road.

These are retail prices, spring delivery unless otherwise desired. All are subject to stock and prior order. As usual prices are guess work and will be adjusted if too high.

Varieties priced at 2/25¢	are 10 for \$1.00	3/25	are 10/ .70
